Noyd Transfers to Powerhouse Maintenance Technician

COLUMBUS, Neb. — Joe Noyd of Shelby was recently named Loup Power District's Powerhouse Maintenance Technician.

In this role, Noyd will monitor and maintain the District's hydro equipment, generators and facilities. He will also fill in as a Plant Operator when needed.

Noyd joined Loup in 2013 as a Plant Operator at the Columbus Powerhouse.

A native of Schuyler, Noyd earned an Associate of Applied Science Degree in Building Construction from Southeast Community College in Milford, Nebraska.

Noyd and his wife, Amanda, have two children — son, Nolan, and daughter, Reeyce.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
