Albracht Promoted to Engineering Technician

COLUMBUS, Neb. — Clint Albracht of Columbus has been promoted to Engineering Technician at Loup Power District.

In his new role, Albracht works on substation design. He coordinates the construction and inspection of District projects, orders materials to ensure they meet Loup's specifications, and assists with engineering projects throughout the District. Other duties include designing distribution and transmission lines and surveying.

Albracht is a graduate of Lakeview High School. He earned a degree in Mechanized Systems Management from the University of Nebraska-Lincoln. He and his wife, Kelli, live in Columbus.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
