Anderson Marks 25 Years at Loup

COLUMBUS, Neb. — Bob Anderson of Genoa was recently recognized for 25 years of service to Loup Power District.

Anderson joined Loup in 1997 as a Maintenance Man at the Genoa Headworks. He was promoted to Equipment Operator at the Headworks in 2002. In 2016, Anderson was promoted to his current position of Dredge Operator.

As a Dredge Operator, Anderson is a member of the team that operates and maintains the District's dredge at the Genoa Headworks located six miles southwest of Genoa. The dredge is a floating pump that vacuums sand from the settling basin at the Headworks.

Anderson is a graduate of Genoa High School and attended Wayne State College. He and his wife, Michelle, are the parents of two children: Tanner and Halie.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
