Recek Promoted at Loup Power District

COLUMBUS, Neb. — Tim Recek of Columbus was recently promoted to Equipment Operator at Loup Power District

Recek joined Loup Power District in 2017 as a Utilityman based out of the Columbus Service Center. He transferred to Maintenance Man in 2019.

In his new role as Equipment Operator, Recek operates the District's heavy equipment and is part of the crew that performs maintenance on the canal system from Genoa to Columbus. He also works at the two powerhouses when needed, helps build substations, and maintains District parks and lakes.

He and his wife, Brenda, have two children: son, Dylan, and daughter, Sydney.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
