Hobza Joins Loup Power District

COLUMBUS, Neb. — Korey Hobza of Columbus has joined Loup Power District as Vice President of Engineering.

In his new role, Hobza provides leadership for the planning, design, maintenance and construction of the electric, transmission, distributing, and generation systems at Loup Power. He also has supervisory responsibility for Engineering and Meter/Maintenance personnel as well as building and structures maintenance.

Hobza previously served as Facilities Manager/Support Engineering Leader at BD Medical in Columbus, where he worked since 2007.

He is a graduate of Leigh Public Schools and earned a Bachelor of Science Degree in Industrial Engineering from the University of Nebraska-Lincoln.

He and his wife, Peggy, have two children: Hayden, 6, and Karleigh, 3.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
