# Duren Joins Loup Power District

**COLUMBUS, Neb.** — Todd Duren of Columbus has joined Loup Power District as Vice President of Corporate Services.

In this role, Duren is responsible for oversight of four District departments — Development/Marketing, Information Technology, Human Resources, and Safety. He will oversee regulatory compliance in the HR and safety areas and provide leadership on economic development and public relations projects.

Duren was previously employed as Sustainable Strategies Consultant for Nebraska Public Power District. Prior to NPPD, Todd also worked for Columbus Hydraulics Company for 23 years, serving in various management positions including Vice President of Sales and Plant Operations and Company President. He worked for Loup Power District during the summers of 1987 and 1988 on the canal maintenance crew.

Duren is a graduate of Scotus Central Catholic High School. He earned a degree in Civil Engineering from the University of Nebraska-Lincoln. He and his wife, Lisa, have three children — Anthony, 28, and his wife, Blair; Morgan, 26; and Jared, 22.

In his free time, Duren enjoys hunting, cheering on the Huskers, and playing and watching sports.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
