

Share the warmth this winter.

Many of us take a warm house for granted. Others face winter knowing they can't afford to heat their homes.

Loup Power District established the Heat Helper Fund with the goal of helping people stay warm. Loup customers can donate to the fund by adding a few dollars to their Loup payment or by writing a check directly to Heat Helper Fund. A donation receptacle is also available at Loup area offices.

All donations will be handled locally through Columbus Emergency Relief, Inc., and 100% of donations are used to pay electric heating bills for Loup Power District customers in Boone, Colfax, Nance and Platte Counties and part of Madison County.

Donations are tax deductible.

Heat Helper Fund Contribution

Your tax-deductible contribution will go to families who need help paying their heating bills this winter.

How to donate:

- Add your contribution to your Loup Power District Payment
- Send your contribution directly to

Heat Helper Fund
