

RATE SCHEDULE LR-1

— Loup Residential Service —

LOUP RIVER PUBLIC POWER DISTRICT

AVAILABLE

Within the service area of the District.

APPLICABLE

To single-family residences and individually metered apartments for all domestic purposes when all service is supplied through a single meter.

CHARACTER OF SERVICE

A.C. 60 Hertz, Single-Phase 120 volt, 2-wire or 120/240 volts, 3-wire.

RATE

Customer Service Charge: \$20.00 per month

| Summer | Winter | |
|---------------|---------------|--|
| \$0.1255 | \$0.0860 | per kilowatt-hour for the first 600 kilowatt-hours used per monthly billing period |
| \$0.1005 | \$0.0840 | per kilowatt-hour for all additional use |

SEASONAL BILLING PERIODS

Summer: Summer period is for the meter readings obtained during the four-month period from June 15 through October 14.

Winter: Winter period is for the meter readings obtained during the eight-month period from October 15 through June 14.

MINIMUM BILL

\$18.00 per month

PRODUCTION COST ADJUSTMENT (PCA)

The kilowatt-hours supplied under this rate schedule are subject to the PCA. The PCA is an adjustment in the price of the energy portion of the rate due to variations in the cost of procuring or producing energy from those costs that are included in the rate schedules.

TERMS OF PAYMENT

Bills are due and payable upon receipt and delinquent if not paid in twenty-one (21) days from date of issuance.

CONDITIONS

1. Service will be furnished under the District's Customer Service Policy.
2. All electric space heaters larger than 1650 watts shall be designated to operate at 240 volts.
3. No individual thermostat or other switching device shall have a connected load in excess of ten (10) kilowatts, unless such installation is specifically approved by the District.
4. The total of the heating elements of the electric water heater that may be in operation at one time shall not be in excess of 5500 watts.
5. Ratings of single phase motors served under this schedule shall not exceed five (5) horse power.
6. In the case of equipment having abnormally low annual load factors or unusual operating characteristics, special minimum charges may be established by the District.

Approved: December 19, 2024
Effective: With bills rendered on and after January 16, 2025
