

# *Parks & REC*

**GENERAL PARK INFO:**

No dump stations.  
Alcohol is not permitted.  
No direct water hook-ups.  
No lifeguards in swimming areas.  
Vehicles and campers must be properly licensed.

*Loup Power District's five parks and recreation areas canvas 77 acres of land and 1,100 acres of water.*

*More than 150,000 people visit every year.*

*The parks were originally developed as a byproduct of the Loup's canal system. Over the years, the District continued to develop and maintain them as a service to the communities and customers we serve.*

*The parks are open from May 1 to November 1, weather permitting.*

*Headworks Park remains open during the winter months, but there are no water or trash services.*

*Each park features water and picnic areas.*

*There are plenty of recreational opportunities at all five parks. Visitors can boat, swim, camp, fish, bike, hike, picnic and more.*

*Electrical hookups are free although visitors are limited to seven days per month. Reservations are not accepted.*
