# Czarnick Retires from Loup Power District

**COLUMBUS, Neb.** — John Czarnick of Genoa has retired from Loup Power District after 45 years of service to Loup Power District.

Czarnick joined Loup in 1974 as Shop Welder-Mechanic at the Columbus Service Center. He was promoted to Mechanic-Welder in 1977 and to Heavy Tractor Operator in 1981. In 1982, he transferred to the Genoa Headworks as a Dragline Operator. He was promoted to Heavy Equipment Operator in 1986. He transferred to the Hydro Division at the Columbus Service Center in 1997 and was promoted to his current position of Canal Foreman.

As Canal Foreman, Czarnick's primary responsibility involves overseeing canal-related projects from the railroad siphon east of Genoa to the tailrace area southeast of Columbus. His crew also assists with substation and construction work throughout the District.

Czarnick is a graduate of Genoa High School and attended Central Community College -- Columbus. He and his wife, Sally, have three children and seven granddaughters.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
