Badstieber Promoted to Customer & Energy Services Coordinator

COLUMBUS, Neb. — Greg Badstieber has been promoted to Customer & Energy Services Coordinator at Loup Power District.

Badstieber joined Loup Power District in 2012 as an Engineering Technician II in the Engineering Department at the Columbus General Office. He continued in that position until 2015 when he was promoted to Engineering Technician I.

In his new role, Badstieber will promote heat pumps and energy efficiency to customers, contractors, engineers, architects, and distributors. He will oversee the EnergyWise program that Loup offers in partnership with Nebraska Public Power District. He will also work with key accounts and assist customers with billing concerns.

Badstieber is a graduate of Columbus High School. He attended Southeast Community College in Lincoln, where he earned an Associate of Applied Science degree. He also attended Peru State College where he earned a Bachelor of Science degree in Business Management.

He and his wife, Sandi, are the parents of two daughters, Elle and Ayla.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
