Loup Power Delivers Lease Payments

COLUMBUS, Neb. —Loup Power District officials recently presented lease payment checks totaling more than \$1.1 million to area communities.

The payments represent 10 percent of the retail revenue generated by the sale of electric power in the communities during the third quarter of 2018.

The payments were:

Columbus — \$1,068,859.06

Genoa — \$33,416.27

Creston — \$5,319.51

Lindsay — \$41,483.20

Newman Grove — \$19,974.50

Each of these communities owns their electric distribution systems. These payments compensate them for the use of those systems. Communities use the funds for a variety of public projects.
