Snyder transfers to Heavy Equipment Operator

COLUMBUS, Neb. — Scott Snyder of Genoa has transferred to Heavy Equipment Operator at Loup Power District.

Snyder joined Loup in 1992 as a Maintenance Man at the Genoa Headworks and was promoted to Dredge Operator in 1998 before this transfer.

As Heavy Equipment Operator, Snyder's duties consist primarily of operation and maintenance of the heavy equipment at Loup's Genoa Headworks. His other duties include building discharge pipeline for the dredge, constructing and maintaining dikes in the Headworks discharge area, and other hydro-related tasks.

Snyder is a native of Genoa and a graduate of Genoa High School. He and his wife, Rose, are the parents of a daughter: Tanya, and a grandson, Easton.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and recreational services in these areas. More information about Loup is available at www.loup.com.
