# Shank Joins Loup Power District

**COLUMBUS, Neb.** — Christopher Shank has joined Loup Power District as Civil Engineering Compliance Technician at the Columbus General Office.

In this role, Shank will help ensure Loup complies with federal and state regulatory agencies. He will oversee construction and inspection of hydro projects and serve as a liaison to the Federal Energy Regulatory Commission. His duties also include coordinating the District's Emergency Action Plan and preparing and maintaining Engineering project reports.

Shank graduated from Columbus High School and received his Bachelor of Science Degree in Fisheries and Wildlife from UNL. He previously worked for Nebraska Cooperative Fish and Wildlife Research Unit, New Century Environmental, and BlueStem Energy Solutions.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
