Linkages Scholarships awarded to CHS Students

COLUMBUS, Neb. — Linkages Scholarships were awarded to four students in the 2021 graduating class at Columbus High School.

The Linkages Program is a nationally recognized program that supports high schools offering a quality program of engineering and technology courses. The Columbus Economic Council, Loup Power District, and local businesses provide support for the program.

The students qualified for the Linkages Scholarship by taking engineering and technical courses. The scholarship can be used at each student's college of choice.

The 2021 Linkages Scholarships were awarded to Logan Brown, Alexander Larson, Ethan Macken, and Chase Paczosa.

The following local sponsors provided important financial support to this year's program: Behlen Mfg. Co., Central Confinement Services (CCS), Columbus Bank, Columbus Community Hospital, Duo Lift Manufacturing Company, Pillen Family Farms, Pinnacle Bank, SIDUMP'R, Superior industries, TORIN Products, Inc., and Valmont Newmark.

Since its beginning in 2004, the Linkages Program has awarded 202 scholarships totaling \$63,675.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and recreational services in these areas. More information about Loup is available at www.loup.com.
