# Schaecher retires from Loup Power District

**COLUMBUS, Neb.** — Rick Schaecher of Columbus retired from Loup Power District after more than 27 years of service to Loup Power District.

He joined Loup in 1992 as the District Substation Meter/Maintenance Superintendent at the Columbus Service Center and continued in that position until his retirement.

Schaecher was in charge of the Meter and Maintenance Department at Loup Power District. The Meter and Maintenance crew performs high voltage switching, maintenance and inspections of distribution and transmission substations throughout the district, as well as metering and relaying. The crew also operates and maintains Loup's SCADA (Supervisory Control and Data Acquisition) system and irrigation Load Control.

A graduate of Lindsay Holy Family High School, Schaecher has an Associate of Applied Science degree in Electrical Technology from Southeast Community College in Milford. He and his wife, Karla, are the parents of two adult children: Jared and Ryan.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
