# Romberg Marks 30 Years at Loup

**COLUMBUS, Neb.** — Mark Romberg of Columbus recently marked 30 years of service to Loup Power District.

Romberg joined Loup in 1990 as an Engineering Technician II in the Engineering Department at the Columbus General Office and was promoted to Engineering Technician I in 1993. In 2006, he was promoted to his current position of Senior Engineering Technician.

As Senior Engineering Technician, Romberg's primary duties relate to the design of transmission and distribution lines and substations. This includes buying right-of-way, surveying, designing, purchasing materials, and writing work orders.

A graduate of Albion High School, Romberg attended Southeast Community College - Milford where he earned an Associate of Applied Science Degree in Electrical Technology.

He and his wife Tammie are the parents of two children, Josh and Jaclyn. They have one grandson.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
