# Dan Hellbusch Marks 35 Years at Loup

**COLUMBUS, Neb.** — Dan Hellbusch, Vice President of Operations at Loup Power District, was recently recognized for 35 years of service.

Hellbusch joined Loup in 1986 as an Apprentice Lineman at the Columbus Service Center. Later that year he was promoted to Lineman and he was named St. Edward Local Superintendent in 1989.

In 1994, he was promoted to Columbus Division Superintendent based out of the Columbus Service Center. Hellbusch was promoted to his current position of Vice President of Operations based out of the Columbus General Office in 2014.

As Vice President of Operations, Hellbusch's responsibilities involve overseeing all the operations of Loup's Operations and Hydro Divisions throughout the District's service territory. These operations activities include construction, operation, and maintenance of the District's electrical transmission and distribution system; hydro generation facilities; the Loup Power Canal; and all district recreation facilities.

Hellbusch is a graduate of Fullerton High School and received his lineman training at Northeast Community College in Norfolk. He and his wife, Annette, have three children: Cody, Maggie, and Lauran.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
