# Ramaekers promoted to Meter/Maintenance Superintendent

**COLUMBUS, Neb.** — Tim Ramaekers was recently promoted to Meter/Maintenance Superintendent at Loup Power District.

In his new position, Ramaekers oversees the Meter and Maintenance Department. The Meter and Maintenance crew performs high voltage switching, maintenance and inspections of distribution and transmission substations throughout the district, as well as metering and relaying. The crew also operates and maintains Loup's SCADA (Supervisory Control and Data Acquisition) system and irrigation Load Control.

Ramaekers joined Loup in 2001 as a Lineman. He was promoted to Journeyman Lineman in 2006 and was promoted to Meter Relay & Equipment Technician in 2008.

Ramaekers is a graduate of Norfolk Catholic High School and earned an Associate of Applied Science Degree in Utility Line from Northeast Community College.

He and his wife, Michelle, are the parents of a daughter, Garyn, and a son, Kai.

**ABOUT LOUP POWER DISTRICT:** For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at [www.loup.com](http://www.loup.com).
