Czarnick joins Loup Power District

COLUMBUS, Neb. — Jacob Czarnick of Columbus has joined Loup Power District as a Lineman based out of the Columbus Service Center.

Czarnick is a member of the crew that is responsible for the construction, operation and maintenance of electric transmission and distribution systems in the Columbus area.

He graduated from Columbus High School and earned his Utility Line degree from Northeast Community College last month. Czarnick interned at Loup during the summers of 2017 and 2018.

ABOUT LOUP POWER DISTRICT: For more than 80 years, Loup Power District has provided reliable, low-cost electricity to customers in Boone, Colfax, Nance and Platte Counties and part of Madison County. The District also provides economic development and five parks in these areas. More information about Loup is available at www.loup.com.
