Subject: Loup River Hydroelectric Project
FERC Project No. 1256
Final License Application

Dear Secretary Bose:

In accordance with 18 CFR §5.17 of the Commission's regulations, Loup River Public Power District (Loup Power District or District) herein electronically files its Final License Application (FLA) for relicensing the Loup River Hydroelectric Project, FERC Project No. 1256 (Project). The District is the owner, operator, and original licensee of the Project. The existing license was effective on December 1, 1982, for a term ending April 15, 2014. Loup Power District is utilizing the Integrated Licensing Process (ILP) for this relicensing effort.

The FLA consists of five volumes, the contents of which are described below.

Volume 1 includes the following information and exhibits:

- Executive Summary
- General Information
- Initial Statement
 - Appendix IS-1 – Applications and Approvals
- Exhibit A – Project Description
- Exhibit B – Project Operation and Resource Utilization
 - Appendix B-1 – Monthly Flow Duration Curves, Loup River at Point of Diversion
 - Appendix B-2 – Monthly Flow Duration Curves, Loup River Power Canal at Genoa
- Exhibit C – Construction History and Proposed Construction Schedule
- Exhibit D – Statement of Costs and Financing
- Exhibit F – Design Drawings and Supporting Design Report
- Exhibit G – Project Maps
 - Appendix G-1 – Project Boundary Maps
 - Appendix G-2 – Project Boundary Modifications
- Exhibit H – Plans and Ability of Applicant to Operate Project Efficiently

Volume 2 includes the environmental report and associated appendices, as follows:

- Exhibit E – Environmental Report
 - Appendix E-1 – Exhibit E Figures
 - Appendix E-2 – Draft Biological Assessment
 - Appendix E-3 – Monthly Flow Duration Curves
 - Appendix E-4 – Water Quality Data
 - Appendix E-5 – Recreation Management Plan
 - Appendix E-6 – Consultation

Volume 3 contains the final study reports for all studies conducted for the Project, as follows:

- Appendix A – Sedimentation Study Report
- Appendix B – Hydrocycling Study Report
- Appendix C – Water Temperature in the Project Bypass Reach Study Report
- Appendix D – Flow Depletion and Flow Diversion Study Report
- Appendix E – Fish Passage Study Report
- Appendix F – Recreation Use Study Report
- Appendix G – Land Use Inventory Study Report
- Appendix H – Section 106 Compliance Study Report
- Appendix I – Ice Jam Flooding on the Loup River Study Report
- Appendix J – Alternative Project Operations and Sediment Management Study Report
- Appendix K – Summary of Study Results Related to the Interior Least Tern and Piping Plover

Volume 4 contains the following privileged information from other volumes of this Final License Application that are not available for public release:

- Exhibit E, Table E-84, Archaeological Sensitivity Areas Subject to Further Consideration
- Exhibit E, Appendix E-6, Consultation, Contact Information of Relicensing Participants
- Appendix H-1, Phase IA Archaeological Overview
- Appendix H-2, Phase I/II Archaeological Inventory and Evaluation
- Appendix H-4, Phase I/II Archaeological Inventory and Evaluation Addendum
- Historic Properties Management Plan

Volume 5 contains the following Critical Energy Infrastructure Information (CEII) from other volumes of this Final License Application that are not available for public release:

- Exhibit F, Appendix F-1, Design Drawings

Under separate cover via overnight delivery, the District will submit the required Exhibit G electronic data

The District filed a Draft License Application (DLA) on November 18, 2011. Comments on the DLA were received from the following agencies:

- Commission Staff – February 16, 2012
- U.S. Fish and Wildlife Service – February 16, 2012
- Nebraska Game and Parks Commission – February 14, 2012

The District has prepared a Comment Response Table summarizing how each comment was addressed in the FLA. This table is attached and also included in Volume 2, Appendix 6 of the FLA.

Electronic copies of the public volumes of the FLA are available on the District's relicensing website: www.loup.com/relicense, as well as on the Commission's eLibrary. Additionally, copies of the FLA are available for inspection at the District's offices: 2404 15th Street, Columbus, NE 68602 and at the following public libraries:

Columbus Public Library
2504 14th Street
Columbus, Nebraska

Genoa City Library
421 Willard Avenue
Genoa, Nebraska

Notice of the availability of this document is being provided under separate cover via certified mail to relicensing participants and interested parties, including federal and state resource agencies, local governments, and Native American Indian tribes. A distribution list of those parties is attached. Additionally, notice of this filing will be published in the *Columbus Telegram*, *Nance County Journal*, and *Albion News* on April 18, 2012 and April 25, 2012.

If you have any questions regarding the FLA or any information provided by the District, please contact me at (402) 564-3171 ext. 268.

Respectfully submitted,

Neal D. Suess
President/CEO
Loup Power District
